

Clay Pendants!

Whether you're a beginner or a seasoned artist, this event is perfect for you. Create unique pendants from porcelain or terra cotta clay for yourself or for gifts.

We will demonstrate different techniques then let your creativity go wild! We provide a variety of texture tools and cutters to use and you are welcome to bring your own too! Then you choose to decorate your pieces with underglaze or leave them raw to use with essential oils. We fire the pendants once the clay is fully dry and your finished pieces be ready in about one week after the class.

This class is \$30 per person to make as many pendants as you would like to fit on a 6" x 6" tile. The price includes instruction, clay, use of tools, underglaze, and kiln firings. Cords, bails, and findings will also be available for purchase.
