Art on the Go will travel to you to host fundraising events. We've worked with groups for over six years, with options to engage your community through art parties and raise funds for your school! We'll help you grace your school with fantastic art installments of hand-painted ceramic tile art by your students, families, faculty and namesakes. Join in a wonderful, community-building event that everyone loves! Art builds creates a center-piece to be enjoyed by generations to come... we look forward to helping you to create your art tile murals!

For many years we have been sharing our love of art and community with the entire metro-Atlanta area... we travel far and wide to our local schools to create art and raise funds for the schools!
